Vacancy No. } 7/12

Designation of the appointment made. Accountant, Dt. Try, Trichur.

Name of the candidate appointed. H. S. Ramaswamy, who is acting in this vacancy has been allowed to continue to act.

Caste. The candidate appointed is perhaps a Brahmin.

Qualification. not given

Is the the best qualified candidate? The candidate appointed has not even applied for the post.

Remarks. There is no order of Govt. requiring that fresh entrants to Govt. service should have passed departmental tests. In the absence of such orders, the action of the D. C, Trichur in refusing to appoint one of the two candidates for the post, who possess the general educational qualifications laid down by Govt. and whose applications were forwarded appears to be irregular. It is reported that the Vacancy is likely to last till the end of May 1928 The Candidate appointed seems to be a Brahmin. Left his appointment as a Spl Vacancy is not

2) The justification for the appointment is that none of the applicants whose applications had been forwarded by the C. R. B had passed accounts tests. It is perhaps not possible to find B.C candidates with both educational qualifications & the other alternative is to appoint

men on probation pending their passing the examn. In this case, the necessary tests only till May 1918 & the W & R tests will then be no use in re-advertising

In the minimum qualifications laid down by Govt for various ~~examinations~~ classes of appointments, a pass in local necessary departmental tests is not prescribed, but in the departments concerned ~~only~~ passing of certain departmental examns is obligatory. It is perhaps desirable to finally decide the ~~matter~~ question as to whether a pass in such obligatory examinations be insisted upon as a condition precedent to the entertainment of any ~~officers~~ person to such appointments or whether the appointing officers be told to appoint men with general qualifications on probation & give the candidates a chance to pass the examn.

The C R B^d may perhaps be consulted on the subject.

Note continued.-

The question as to whether a pass in the Departmental Examination in addition to the general educational qualification should be insisted upon as a condition precedent to the entertainment of recruits or whether the appointing Officers may be instructed to appoint men with general qualifications only on probation and give the candidates selected a chance to pass the departmental examinations, was placed before the Central Recruitment Board at the meeting held on 16th June 1928 together with the accompanying note on the subject ~~to serve as a basis for discussion~~ and the same was deferred for consideration at the next meeting of the Central Recruitment Board. The next meeting of the Central Recruitment Board ~~it~~ is to be held at 8-30 A.M. on the 11th August 1928.

From an examination of the lists received from the several officers addressed, showing the appointments for which special qualifications or previous office experience is essential, it will be seen that quite a large number of appointments in several --- offices are included in the list as requiring special qualifications or previous office experience. If such qualifications are insisted upon for all appoi--ments, new recruits with the requisite general educational qualification cannot hope to get appointmen

and there will be no progress in the recruitment of candidates of backward communities. The appointments for which special qualifications or previous office experience ~~are~~ may be quite essential are ~~marked~~ indicated in the accompanying list by the mark (√) in pencil. Even for these appointments, the candidates possessing the highest general educational qualifications may perhaps be appointed according to rules, subject to pssing the required examinations within a prescribed period. ~~and for~~ In the vacancies of ministerial heads of offices --- applicants with pfevious office experience possessing the require minimum general educational qualifi-cation may perhaps be preferred. It is respectfully suggested that the members of the Sub-Committ Exemptions of the Central Recruitment Board may be requested to co-opt two or three other ~~non official gentlemen~~ Revenue Members and favour Government with their opinin as to the action to be taken in the matter without prejudice to the efficiency and quick despatch of work in -- Public offices. The Committee's report may be required to be sent up to the Secretary to the Centrd Recruitment Board ~~before the 8th instant so that the same~~ may be placed before the Central Recruitment Board at the meeting on 11th August 1928. and thereafter discussed at a special meeting of the C.R. The Central Recruitment Board

Public Notice,

D R A F T.

The minimum general educational qualifications prescribed for the several classes of candidates are as follows:-

For Class I.- A pass in the Junior Secondary Examination or a certificate of having passed in the V year of a recognised secondary English High School

Note:- 1. In every exceptional case, candidates who have not passed the Junior Secondary Examination may also be permitted by the Board to be appointed to this class.

Note:- 2. The minimum qualification for the post of teacher in Tamil schools should ordinarily be complete Tamil schools and clerical appointments in the following educational institutions and vacancies should be filled in the order mentioned. Examination or course of study for the Junior Secondary Certificate should be as follows:-

(1) Training Institutes of the Director of Public Instruction
(2) Union of Teachers' Training Institutes, Jaffna and Chavakachcheri.
(3) The Central Tamil School.
(4) Jaffna College, Uduvil
(5) The Hindu Girls' High Schools.
(6) The Ramanathan Hindu Girls' High School.

Note:- 3. Preference will invariably be given to candidates in the order of appointments in every such class and in selecting privately candidates for admission to the normal schools or training colleges preference should be given to students holding Board Certificates.

For Class 3.- Those who have passed the First Year Certificate Examination of the 3 years University or have completed the First Year Course, course and have been promoted to or declared eligible for promotion to, the Second Year Course or have passed the Intermediate Examination of a recognised University.

For Class 4.- A degree of the Jaffna University or of any other recognised University.

Note:- In appointing teachers in the Tamil Medium Secondary Schools preference should be shown to trained teachers up to 50 per cent of the vacancies irrespective of the communities to which they belong.

[illegible] as prescribed

ment Board, it is seen that appointing officers very often resort for appointments, men with lower general educational --- qualifications but possessing previous office experience or special qualification of having passed departmental examinations in preference to men with higher general educational qualifications. A circular has been issued to all officers that in reporting such appointments, the special reason guding the selection must invariably be explained in the "D" statement furnished to the --- Central Recruitment Board.

A new recruit may not be of use if he is appointed in vacancies for which special qualifications are necessary. In such cases express provision is made in some of the Government Orders referred to above for entertainment of recruits subject to passing the required tests subsequent to their appointments while in others no such provision is made. For instance in Government Order No. R 3(1)-21/L.R. 162-22-4, dated 30th Dec' 1922 prescribing certain qualifications for the District Treasury officials, there is no express provision for new recruits being permanently entertained in the District Treasuries subject to their acquiring the prescribed qualification.

Note 1 to Rule 3 in Government Order No. LC7J-58(2)/... 11-21-6, dated 28th November 1921 as modified by Government --- Orders dated 30th October 1922 and 17th May 1923 provides that vacancies for which special qualifications or experience are required and for which applications from Backward Community --- candidates are not forthcoming may be filled up by promotion and the next lower appointment not requiring such special qualification or experience reported to the Central Recruitment Board. It may also be noted that in their Order No. P 4316-75/G.S. 11-23 dated 6th September 1923, Government have directed that recommendations for exemption from passing the departmental examinations made to Government through the Central Recruitment Board in the case of officials provided they have put in not less than 15 years' service and are not less than 45 years of age. A consolidated [illegible] moving the appointment [illegible]

Several Departments for recruits to their special [illegible] are essential according to the lists received from the several Boards Departments and appointing Officers is attached hereto

7.8.28

The question was discussed at the meeting of the C.R.B on 11.8.28. The following is the extract from the Proceedings of the meeting on the subject:-

Subject - 2.

The following deferred subject of the meeting of the Central Recruitment Board held on 16th June 1928.-

Question as to whether a pass in the departmental examination in addition to the general educational qualification should be insisted upon as ~~xxx~~ a condition precedent to the entertainment of recruits or whether the appointing Officers may be instructed to appoint men with general qualifications only on probation and give the candidates selected a chance to pass the obligatory departmental examinations.

The subject was discussed at some length. The Board observe that insisting on a pass in the departmental examination which in its turn frequently requires some service qualifications, would be detrimental to the recruitment of members of Backward Communities to the ranks of service and resolved as follows:-

The Board, recommend that in case of recruitment to appointments for which a pass in departmental examinations has been prescribed by any order of Government, a pass in such departmental examinations should not be insisted upon as a condition precedent to the appointment but a candidate possessing the general educational qualification prescribed for it may be entertained in such vacancies on probation subject to his being confirmed in the said post on his passing the prescribed test or tests within a period of two years.

Sir,

With reference to Chief Secretary's Official Memorandum No.3065-3134 dated the 3rd/9th instant, forwarding for information copy of resolution of the Central Recruitment Board at their meeting held on 3rd March 1928, I have the honor to state that as the Press is a highly technical department, it is quite necessary to insist upon the passing of the departmental examinations in printing in the case of all new entrants, especially as these examinations have been introduced as part of the Commercial Examinations of the Mysore Government. Instead of making a pass in these examinations a condition precedent to appointment,

I

I would suggest that men with general educational qualifications be appointed to vacancies and given three years' time in which they should pass the examinations prescribed for the appointments. The following examinations may be made obligatory in the case of the departments noted against them.

1. All appointments in the Office Branch and the Press and the Stationery Dept.	Clerkship Examination and in the case of Accountants, the Accounts Lower Examination.
2. Proof Readers.	Proof-Reading, Lower, in the case of appointments on Rs.30 and below, Proof-Reading, Higher, in the case of appointments carrying a pay above Rs.30/-.
3. Foremen of the Composing, Machine and Binding Branches.	Composing (Lower), Machine (Lower), and Binding (Lower), respectively.
